**Children's Hospital & Research Center Oakland's Hall of Health presents:
Science Discovery Theater: Brainiacs**

Date: Tuesday, June 3, 2008 from 2:30 PM to 3:15 PM

Event title: Science Discovery Theatre: Brainiacs

Cost: This program is FREE and open to the public

Event: Science Discovery Theatre: Brainiacs is a fast-paced, highly interactive, neural anatomy lesson that gives the audience a better understanding of their own brain and helps them appreciate the motto: "Use it or lose it—it's never too late to develop your brain."

Location: Children's Hospital & Research Center Oakland Cafeteria
747 52nd Street, Oakland, CA 94609.

All visitors must check in at the front desk for a cafeteria visitor pass.
For more information, please call Chayo Ureño at (510) 705-8527.
