48TH ANNUAL MONTEREY CONFERENCE NOV. 2-4, 2018
CUTTING EDGE OF 21ST CENTURY PEDIATRICS

Opening Night Reception
Friday, Nov. 2, 2018
COURSE DESCRIPTION

The Monterey Bay is famous for its beautiful coastline and its many recreational attractions. This conference offers a rich learning opportunity in a pleasant and relaxing setting. Our speakers include both recognized experts in pediatrics and specialists from around the country as well as UCSF Benioff Children’s Hospitals.

The program will provide pediatricians, family practitioners, nurses, nurse practitioners, and other allied health professionals with the latest information on the diagnosis, assessment, treatment and prevention of several medical, social and environmental conditions of infants, children and adolescents.

Our speakers will discuss the following pediatric topics under the theme “Cutting Edge of 21st Century Pediatrics”:
- Health and our Environment – How climate change affects infectious disease epidemiology and management
- Health and our Social Environment – The role of social media in children’s lives and how pediatricians respond to fluid gender identity
- Health and our Medical Environment – The best practice goals related to genetics and autism spectrum disorders
- The integrative approach to management of Diabetes 1 and 2
- Hypertension: The latest guidelines for the pediatric office

The conference format combines concise didactic sessions, case presentations, question/answer sessions, and breakout sessions.

OBJECTIVES

This symposium will enable the practitioner to:
- Utilize best practices for counseling patients and caregivers on screen time management.
- Choose appropriate management pathways for different grades of hydronephrosis.
- Apply current hypertension guidelines to make diagnostic and treatment decisions.
- Describe current closed-loop systems that are available or under investigation for the treatment of type 1 diabetes.
- Identify new therapeutic options for severe atopic dermatitis by reviewing recent literature.
- Examine current diagnostic criteria for ASD (autism spectrum disorder) and approaches to diagnostic evaluation.
- Discuss how co-occurring medical conditions are common in ASD/ID (intellectual disability) and may contribute to symptom presentation and management.
- Identify major clinical changes in the 2018 Red Book.
- Use local public health surveillance to predict infectious diseases related to climate.
- Describe the major types of genome-scale genetic testing in pediatrics.
- Demonstrate ways to support families and communities in promoting healthy gender development.
- Explain terminology that youth use to express their gender or sexual identities.

ACCREDITATION

UCSF Benioff Children’s Hospital Oakland is accredited by the Institute of Medical Quality and the California Medical Association to provide continuing medical education for physicians. UCSF Benioff Children’s Hospital Oakland takes responsibility for the content, quality and scientific integrity of this CME activity in accordance with the Accreditation Council for Continuing Medical Education (ACCME) guidelines for continuing medical education.

UCSF Benioff Children’s Hospital Oakland designates this live activity for a maximum of 15 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This course is also offered through the Nursing Continuing Education Program of UCSF Benioff Children’s Hospital Oakland. Provider approved by the California Board of Registered Nurses, Provider Number 00374 for 15 contact hours.

NEW! Now offering ABP MOC Part 2 Points.
Successful completion of this CME activity, which requires participants to provide feedback to the CME provider, enables the participant to earn 15 Part 2 points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

CONFERENCE REGISTRATION

Early registration is advised. Online registration is encouraged and available by credit card. Registration payments made by check must be mailed with the Conference Registration Form. The program fee includes attendance at the conference, refreshment breaks and Friday's luncheon and the Welcome Reception for registrants after Friday’s session.

DEADLINES & REFUNDS

The registration deadline is October 1, 2018. Registrations received after October 1 will be subject to availability. Please contact Cristina Fernandez, CME Coordinator. Cancellations prior to October 1 will be subject to a $75 service fee. No refunds will be given for cancellations after October 1, 2018.

</table>
The meeting will be held at the Embassy Suites by Hilton Monterey Bay Seaside, located just two blocks from the beachfront in stunning Seaside, California. This location offers spectacular bay views, indoor pool, fully-equipped fitness center, and a stunning open-air atrium lobby, as well as fine accommodation options. Hotel guests can enjoy free cooked-to-order breakfast, complimentary appetizers and beverages at the nightly evening reception, and every room is a two-room suite.

Hotel reservations can be made two ways:
1. Go to: www.bitly.com/montereyhotel2018
2. Or call 1-800-EMBASSY (1-800-362-2779) and referencing group code “BCO"

To get the group discount rate, reservations must be received by Oct. 1, 2018. Reservations requested after this date will be handled on a space availability basis at prevailing rates. Included in this group rate are many luxurious amenities. Hotel details can be found at www.bitly.com/monterey2018-embassy.

Conference Rates:
- Single/Double occupancy: $194
- Triple occupancy: $214
- Quadruple occupancy: $234

Opening Night Welcome Reception
Friday, November 2, 2018
5:00–7:00 p.m.
This year the CME Committee at UCSF Benioff Children’s Hospital Oakland will host an on-site social event for all conference attendees. This will be an opportunity to mingle and network with faculty, colleagues and the conference planning committee. This event is complimentary for registered conference attendees only and will include wine, cheese, hors d’oeuvres, dessert and entertainment.

There is a minimal charge for guests of conference attendees.

Please refer to the Conference Registration Form for reservation information.
Provide your name as you would like it to appear on your badge. Please print clearly.
