

## 6/4/19 "Patient Immigration Status and Pediatric Care"

Presented by: Maria Blanco, Attorney

Executive Director, UC Immigrant Legal Services Center  
UC Davis School of Law

### Objectives:

1. Examine the concept of Public Charge and its impact on the delivery of health services.
2. Identify different forms of immigration status.
3. Be able to explain constitutional rights of immigrants to families and colleagues.

## 6/11/19 "Under Pressure: When and How to Evaluate and Treat a Pediatric Patient with Elevated Blood Pressure Based on the Latest Guidelines"

Presented by: Paul Brakeman, MD

Pediatric Nephrology  
Medical Director-Ambulatory Specialty Clinics  
UCSF Benioff Children's Hospital Oakland

### Objectives:

1. Define pediatric hypertension.
2. Utilize current hypertension guidelines to make diagnostic decisions.
3. Apply diagnostic and treatment strategies for elevated blood pressure based on patient's age and access to care.

## 6/18/19 "Challenges with Attaining Health Equity and Eliminating Health Disparities: Sickle Cell Disease"

Presented by: Marsha Treadwell, PhD

Director, Northern California, Network of Care for Sickle Cell Disease; Co-Principal Investigator and Regional Director, Pacific Sickle Cell Regional Collaborative  
Director, Hematology Behavioral Services  
UCSF Benioff Children's Hospital Oakland

### Objectives:

1. Identify the challenges in sickle cell disease (SCD) pain management in the Bay Area within the context of a history of social activism, social justice, and present-day gentrification.
2. Discuss partnerships between individuals with SCD, their families and health care providers that improve health equity and eliminate health disparities.
3. Utilize a cultural humility framework in considering strategies for optimal pain management for SCD.

## 6/25/19 "Suicide Assessment in Outpatient Pediatric Settings"

Presentations by: Petra Steinbuechel, MD

Director, Psychiatry  
Medical Director, Mental Health & Child Development  
UCSF Benioff Children's Hospital Oakland

### Objectives:

1. Discuss validated screening tools for depression and suicidal risk.
2. Distinguish among low, medium and high levels of risk for imminent suicide.
3. Analyze intrinsic and environmental protective factors for suicidal youth.
4. Examine the practice of completing a suicide screening.
5. List the steps to creating a suicide safety plan.

**Grand Rounds takes place in the Outpatient Center 1 Auditorium, 8:00-9:00 am (unless otherwise noted).**
